

Everything Remote Bill Of Materials

Version 1.2

Please contact hello@thestockpot.net if there are any issues

Components

Item	QTY Required	Source	Notes
Tactile Switches 6 x 6 x 5mm. 4 PIN. Through Hole	21	Ebay	I can't find where I bought them from, but these are a commonly available part, and should all fit.
10 kΩ metal / carbon film resistors	2	Aliexpress	
Wemos Lolin 32 Lite ESP32	1	Aliexpress	Make sure to get the USB C variant
Lithium Polymer Battery - 1100mah	1	Core Electronics	
PCB	1	PCBWay	
Double sided tape	1	N/A	This doesn't need to be anything special
M2 x 10mm cap head screws	2	Aliexpress	The assortments from aliexpress are cheap - worth having!
M2 x 8mm cap head screws	3		

Tools

Tool	Notes
Flush Cutters / Snips	Any small snips will work fine
Solder	60/40 flux core is recommended
Screwdriver 1.5mm hex	To suit M2 screws
Soldering iron	TS80P is a great starting iron and very affordable
USB C cable	
Tweezers
